

IB and CDNIS by the Numbers

CDNIS is **1** of only five through-train IB schools in Hong Kong, and one of 150 worldwide.

Money set aside in the CDNIS annual budget for staff training and professional development.

\$ 2 . 2 million dollars

EVERY year **EVERY** teacher has the option to attend one local and one overseas training opportunity.

99.4% of CDNIS teachers are IB trained

IB requires that only one teacher per grade or one teacher per subject be IB trained.

12% of CDNIS teachers are certified as IB Leaders

16 Examiners

Workshop Leaders **5**

As CDNIS has well exceeded the requirements for IB training, teachers may also pursue additional professional development opportunities to further their growth.

In 2016-2017

75 LS teachers attended PD opportunities in Hong Kong

32 LS teachers attended PD opportunities overseas

Australia
Belgium
Bulgaria
Canada
China
Dubai
India
