Dear CDNIS community,

I hope this finds you safe and in good health. As you may be aware, the EDB announced yesterday that, due to the on-going Covid-19 situation in Hong Kong, all face-to-face classes and on-campus extra-curricular activities are to be suspended until further notice. While this is certainly disappointing news, please be assured that we anticipated this scenario and are well prepared to start the school year with remote learning as follows:

- Upper School (Grades 6-12) - Thursday, August 13
- Lower School (EY1 to Grade 5) - Monday, August 17

Over the last few days you would have received updates from your respective Principals regarding the learning procedures, protocols and practices which will be put in place for remote learning. These will be constantly reviewed and refined as we draw on the experience of the staff and continue to receive feedback from our community. In addition, both Principals are in the process of hosting interactive grade level webinars, which you are encouraged to join as we embark on this unusual start to the school year:

- Grade 2 - Wednesday, August 5 at 11am
- Grade 3 - Wednesday, August 5 at 12noon
- Grade 4 - Wednesday, August 5 at 1:30pm
- Grade 5 - Wednesday, August 5 at 2:30pm
- Grade 10 - Wednesday, August 5 at 2:30pm
- Grade 11 - Friday, August 7 at 1pm
- Grade 12 - Friday, August 7 at 2:30pm

We remain in constant dialogue with the EDB and are working to ensure a safe return of our students to campus as early as possible. We will continue to keep you updated on any developments via email and also through our newly launched CDNIS Covid-19 Information website.

Thank you for your patience and understanding. While challenges remain, together we will successfully navigate these uncertain times. As always, we remain committed to working in partnership with you to create a stable and successful academic environment for your child.

Warmly,  
祝安康
