

# CDNIS and IB by the Numbers

CDNIS is **1** of only seven through-train IB schools in Hong Kong, and one of 150 worldwide.

Money set aside in the CDNIS annual budget for staff training and professional development.

**\$ 2 . 2** million dollars

**EVERY year EVERY teacher has the option to attend one local and one overseas training opportunity.**

**100%** of CDNIS' teaching faculty are IB trained

IB requires that only one teacher per grade or one teacher per subject be IB trained.

13% of CDNIS teachers are certified as IB Leaders

**13** Examiners

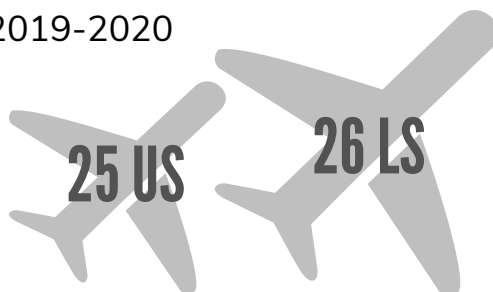

Workshop Leaders **12**

As CDNIS has well exceeded the requirements for IB training, teachers may also pursue additional professional development opportunities to further their growth.

In 2019-2020

teachers attended PD opportunities in Hong Kong

teachers attended PD opportunities overseas

China  
Indonesia  
Japan  
Malaysia  
The Philippines  
Singapore  
South Korea  
Spain  
Thailand  
UK  
USA

CDNIS has a comprehensive roadmap for all teachers to achieve the required IB training and more.

**41**

CDNIS students scored 40 points or higher for their IB diploma in 2020.

**38** was the average CDNIS IB score. The worldwide average was 31.3.

Two CDNIS students scored a perfect **45** 13 CDNIS students scored **43/44**

**89%** of CDNIS students scored above the worldwide average.
